

# Cat Crazy!

A fundraising effort of the  
Caring Hands Humane  
Society

The resources provided through this effort will fund medical care, public education, adoption promotion, housing, daily care and rehabilitation of homeless cats from the Harvey County area.

---

## Here is how it works

Please ask your patrons:

“Will you donate \$1 or \$5 to help the homeless cats at the Caring Hands Humane Society?”

Then allow the donor to write their name on the donation sheet.

Then write your name on the back, where you work and how much the donor gave.

Then post the donor sheet somewhere in your store.

The goal this year is to raise \$1000 for the homeless cats and kittens at the shelter.

The simple act of asking a patron to donate a couple bucks can make a huge difference.

Donors can also contribute online at:
