## Game Rules:

Players must stand and maintain stance behind the 8' marked line during and after throwing their dart(s).

No running or jumping.

Only ONE dart may be thrown per hand per location. Players may play multiple hands.

Players MUST use dart(s) provided at each location. They may not use their own personal darts.

The dart MUST stick and stay in a card not already used in the player's hand in order for it to count. The player must continue to throw until he/she gets a dart to stick and stay.

Player must hand the Location Official the hand they are playing on before they throw their dart. Players with multiple hands must determine prior to throwing which hand the card earned will count for and hand only that card to the Location Official for marking.

Location officials have the final say on which card the player has earned by throwing a dart.

If a dispute arises the player will be given a new hand at the final location to throw five darts. NO darts will be re-thrown at ANY other locations in the instance of a dispute. Location Officials will sign the back of the card and notate the nature of the dispute and the player can finish the ride or come directly to the last stop.

If player's hand is lost along the ride, NO new hands will be issued.

Riders must be into the last location by 12:30 pm.

Ties will be settled by One Dart Throw off. Players will take turns throwing a dart. The player landing on the highest card will win. Throw offs will continue until there is a winner.

## Winners and Prizes:

Players may only win ONE prize per hand.

Hands will be ranked according to Hoyle's rules for 5 Card Stud Poker.

The best four hands will win a choice of the Poker Prizes. The best hand will pick first, the second best hand will pick second, the third best will pick third.

## Behavior
